CODE ON A MICROPROCESSOR :

**DECISION ON
PETITION FOR REVIVAL
UNDER 37 CFR 1.137(b)**

This decision is in response to applicant's petition to revive under 37 CFR 1.137(b) filed on 18 January 2005 which is hereby **GRANTED** as follows:

Applicant submitted a credit card payment form for the USPTO to charge \$1,270 in fees. This payment is sufficient to revive the above-captioned application and commence national stage procedures. However, applicant is short \$35.00¹ due to a change in the USPTO fee schedule on 08 December 2004. All other requirements of 37 CFR 1.137(b) are satisfied.

A signed declaration in compliance with 37 CFR 1.497(a) and (b) has been provided. This application is being forwarded to the United States Designated/Elected Office for further processing including mailing a Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) (Form PCT/DO/EO/905) indicating that additional fees totaling \$35.00 are required for the National Stage Examination fee.

¹ Applicant submitted \$ 500.00 in national stage fees (\$150.00 for the basic national stage fee; \$250.00 for the national stage search fee and \$100.00 for national examination fee); \$65.00 for the surcharge fee, \$40.00 for the assignment fee and \$665.00 for the petition to revive fee totaling \$1,270.00. The correct fees are \$450.00 in national stage fees (\$150.00 for the basic national stage fee; \$200.00 for the national stage search fee and \$100.00 for national examination fee); \$65.00 for the surcharge fee, \$40.00 for the assignment fee and \$750.00 for the petition to revive fee totaling \$1,305.00. Thus, the \$100.00 national examination fee has not been paid. The additional payment of \$65.00 has been placed in a holding code awaiting further payment of \$35.00.
